MP3 | Cathy Junkroski

In addition to learning ABC's and 123's, 3 and 4 year old's will have the opportunity to develop their skills in gymnastics, tumbling, sports and relay games. In each class, different themes will guide us as we enjoy music, crafts, art, and story/snack time. Social and independent skills are developed when we play and work together. Children are welcome to bring a healthy snack for designated snack time during class.
